Tools & Platforms: Git, GitHub, Docker, WordPress, Shopify, AWS, Redis

Projects

Blog Platform⬈

- Developed a full-stack blogging platform utilizing Next.js, React.js, Prisma ORM, Cloudinary, and Redux Toolkit.
- Implemented seamless content management system, efficient image uploading, and robust state management.
- Utilized server-side rendering, ORM integration, cloud-based image storage, and Redux for state management.

NextJS E-Commerce⬈

- Built a comprehensive e-commerce solution with Next.js, React.js, Firebase, Mongoose, Axios, and chart.js.
- Integrated secure authentication, real-time database integration, and interactive data visualization.

Work Experience

Tech Lead & Web Developer Intern (03/2024 - 05/2024)

MnA Studio, Kota, Rajasthan

- Led a team of frontend and backend developers in the creation and optimization of a full-stack website using Next.js, resulting in improved site performance and enhanced SEO ranking on Google.
- Developed and maintained web applications, implementing best practices and ensuring optimal performance.
- Collaborated closely with designers and backend developers to deliver high-quality projects on time.
- Provided leadership and guidance to the team, delegating tasks effectively and fostering a collaborative work environment.

Freelance Web Developer (04/2022 - Present)

- Developed 4-5 full-stack websites for clients in diverse industries.
- Leveraged technologies such as Next.js, MongoDB, Prisma, Wordpress, shopify and others for website development.
- Projects include:
- EDAWS: Full-stack website development for an NGO, utilizing Next.js, MongoDB, Prisma, and Razorpay for payment integration and SEO optimization.
- Nifty Nitesh: Created an online and offline share market platform with recorded video content. Utilized Next.js for full-stack development.
- Sharma Fitness : Designed and developed an e-commerce website for Sharma Fitness using WordPress.
- Equity Tank : Developed a website for Equity Tank using Next.js and React.js.
- Eoan Enterprise: Designed and developed a furniture e-commerce website for Eoan Enterprise using WordPress.
